

## Electric Powered Carts & Wheelbarrows

Overland's DC Powered Carts are completely electric and can be used anywhere you see fit. The 4WD option powers through dirt and mud. Easily move up to 750 lbs of gravel, mulch, or cement and precisely pour it with the power dump option. Everything on the power cart is splash proof sealed, so clean up is a breeze!

Model	Dimensions W X H X L	Capacity (lbs)	Weight (lbs)	List Price	ARA Show Pricing

The Overland Cart has been tested in the multiple industries and come out a winner. From concrete to landscaping to construction, the Overland's versatility is unmatched. Four wheels provide more stability and control, so no more tipping, no more messes. Our C-Series carts offer best in class Brentwood hi-density polyethylene hoppers for maximum durability and strength. Fill it up with whatever you've got: fertilizer, stone, dirt – Overland Carts can handle it!

NEW! Model	Dimensions W X H X L	Capacity (lbs)	Weight (lbs)	List Price	ARA Show Pricing
8 cu. ft. base model	36"W x 37"H x 63"L	750	166	\$1695.00	<b>\$1595.00</b>

8 cu. ft base model

Twist throttle with soft start/stop.  
Wheels auto-lock in place even on an incline.

Dump feature for emptying the hopper.

All of our powered carts use an environmentally friendly electric motor. DC Power means no noise, no emissions, no gas, no oil, and no replacing belts or chains. Save time, labor & money with an Overland!
